“BE KIND”

Dear SPS Family,

Autumn is here and great things continue to play out here at St. Paul School.

The computers have arrived and they and the network are being prepared for student use by the start of October. Also, beginning in October, SPS is launching our Virtual Learning Academy after school for grades three through eight. More information on the VLA was sent home last week, but if you have more questions please contact the school.

Race for Education has been going on and the event takes place this month - please remember it is never too late to give donations. Together we can finish the Race for a better education.

Weekly All School Masses at SPS have been absolutely uplifting this school year thanks in part by Mr. Miller, Mrs. Shultz, Father Larry, but especially the students. Please come Worship with us at an All School Mass this month. There is even a chance to bring your pet or see some students dressed up as Saints!

Also this month, we will be celebrating the life of our beloved teacher, Mrs. Terri Marino. Mrs. Marino left us abruptly this past summer and we miss her dearly. Please join us on Tuesday, October 25, 2016 as we celebrate the impact she has had on St. Paul School.

As always, thank you for choosing to support St. Paul School. It is our honor to educate your children and a blessing to have the ability to show students that with God all things are possible.

God Bless, Irish Pride, and Be Kind,

Mr. Lucas R. Parsons
