

Here's What's Happening At St. Paul School

FEBRUARY 2020

Welcome, Bishop Brennan!

St. Paul School welcomed Bishop Brennan during Catholic Schools Week. Bishop Brennan celebrated Mass and then joined us for our Military luncheon. He toured our school and visited every classroom. It was an exciting day at St. Paul School!

Congratulations!

Congratulations to 8th-grade student, Mia Pietranton. Mia has been chosen as the St. Paul School 2020 Aquinas Medal Winner. This is the highest award a student can receive from the Diocese of Wheeling-Charleston. The purpose of the Aquinas Medal is "to make visible those young people in our schools who embody the spirit of the school's mission and philosophy of Catholic school education."

One student from each school is chosen. Mia will receive her award at the Bishop's Dinner in the Spring.
