

# St. Paul School Happenings

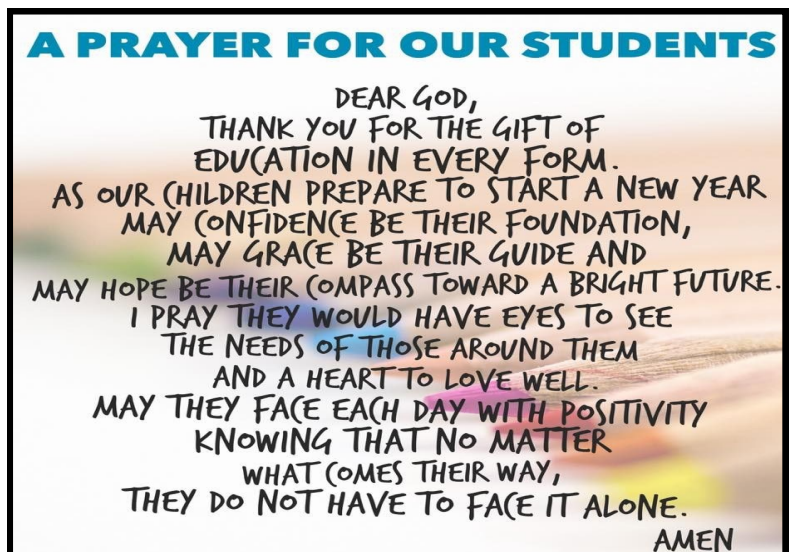

SEPTEMBER 2020

## St. Paul School Returns to In Person Learning

The St. Paul School administration, along with the Hancock County Health Department, and the Diocese of Wheeling-Charleston have worked tirelessly to provide our students and families with a re-entry plan for the school year. Our students are and will always be our number one priority. Keeping them healthy and safe is our goal as we enter the 2020-2021 school year. Our students will return to their classrooms on Tuesday, September 8, 2020. Prior to entering the building, they will have their temperature checked, hands sanitized, and (for grades 3-8) masks placed. Our preschool through 2nd grade students are not required to wear masks in their classrooms, as our small class sizes allow proper social distancing. Other measures, such as plexi-glass dividers, have been installed in classrooms and cafeteria to decrease the exchange of germs. Working together, we are certain that our students and staff will have a wonderful school year!

We are thrilled to see so many familiar faces returning to their classrooms this year, while welcoming multiple NEW families to our family this year! Welcome back to all of our dedicated and talented teachers & staff. Please pray for our students and staff as they enter this school year.
