“BE KIND”

Dear SPS Family,

This time of year provides us the opportunity to reflect on the blessings of our lives. It is important to do this because we spend so much time on the things we don't have we forget to pay attention to what we do have.

I am blessed with a wonderful wife and family, a staff that rivals all others, students who go that extra mile, and a Parish that continues to support us with everything they have.

Two principals have come before me and I am thankful for everything they have taught me. I truly wouldn't be where I am today without the knowledge Mr. James Lesho and Mrs. Pattie Cowan have so graciously provided me and for that I am grateful. We all have someone that has helped us along our way. Take a moment this Advent Season to say thank you.

A special thanks to the families of St. Paul School. Year after year you make the special sacrifice to provide your children with the gift of a Catholic Education. I and all that work at SPS take that sacrifice seriously and promise to provide your children with the love and support we would provide to our own children. We are a family here at St. Paul School and we are beyond blessed! Have a prayerful Advent and a truly magical Christmas.

God Bless, Irish Pride, and Be Kind,

**Mr. Lucas Parsons,
Principal**
