**BE KIND**

**Dear SPS Family,**

The shortest, but most romantic month of the year has finally arrived and it falls in the middle of our yearly celebration of Catholic Schools. If we take note from the past, this first week of February will bring snow and with snow comes the beloved Snowbird.

As I mentioned above, Catholic Schools Week and the many events that comes with it will be in full go when February begins. Please make sure you take notice of all the events. Also, in February is our St. Blasé Mass and St. Cecelia Sing, which all lead up to Ash Wednesday on the first of March. Please check your schedules and come join us in prayer this loving month of February.

I ask this month that you remember those that you love a little more than you usually do. Make sure they know how much you appreciated them. Life is short, but love lives on. In the words of our Patron Saint, "Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor other, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with truth. It always protects, always trust, always hopes, always perseveres."

God Bless, Irish Pride, and Be Kind,

**Mr. Lucas Parsons,  
Principal**
