“BE KIND”

January is a time for renewal - a fresh start. It provides us an opportunity to better our lives. We can start a new exercise routine to lose those unwanted holiday pounds (I know I ate my way through the entire winter break). It could be a time for students to buckle down and reach their AR goals or earn better grades. Anything is possible when you feel like you are given a new chance to succeed.

This is also a wondrous opportunity to revive your Faith in the Church. A time to start new every single Sunday to take time to worship with your community. The students at SPS are given many opportunities to worship together, but nothing is like going to Church with your family on the weekend.

We are also blessed with the start of Catholic School's Week at the end of January. This is a time to showcase the greatness of St. Paul School and the Catholic education that it provides. I am asking that everyone involved with SPS to attend our kickoff to Catholic School's Week Mass on Sunday, January 29, 2017 at 11:00 in St. Paul's Church. Come together as one to worship and thank all those that support St. Paul School - this is what community is all about.

This is also a wonderful time of year to share your experiences with outsiders about the benefits of St. Paul School. The best advertisement is your story. Share and spread the word about St. Paul School.

Happy New Year to one and all. God Bless, Irish Pride, and Be Kind.

**Mr. Lucas Parsons,
Principal**
