

ST. PAUL CATHOLIC SCHOOL
 STRENGTHENING CATHOLIC VALUES BY PROVIDING EXCELLENCE IN EDUCATION
 WHILE SERVING GOD AND ONE ANOTHER

“Where God and Excellence in Education Walk Hand in Hand”

New Principal Announced

140 Walnut Street
 Weirton, WV 26062
 304-748-5225
 weirtonstpauls.org

St. Paul School is pleased to announce the appointment of Mr. Lucas Parsons as the new principal.

Capital Campaign Update 2-4

Mr. Parsons holds a Bachelor of Arts degree in English from Ohio University in 2005. He has a Master of Science degree in Education and is currently working on a Master of Science degree in Educational Administration, both from Franciscan University of Steubenville. He then intends to begin the journey to obtain his Doctorate.

Annual Fund 5

Mr. Parsons has been a faculty member of St. Paul School since 2005 where he started out as the Language Arts and seventh grade teacher. In 2007, he became the eighth grade teacher and remained in that role while also gaining more responsibilities. Mr. Parsons was placed in charge of discipline in 2009, became the Dean of Students in 2014, and then Vice Principal last year.

Giving Back 8

Donations 9-10

“I can see the greatness that is St. Paul School and it is my honor to build upon that greatness. I believe that Catholic Education is a joint effort in which the parents, Church, school, and community come together to create lasting traditions, values, and standards that the students will hold in high regard throughout their educational careers and lives. Therefore, our goals should be clear: Christ, Academics, Service, and Athletics. These are the priorities and the order in which they should be achieved.”

Employer Matching 10

News 11-13

Mr. Parsons and his wife, Kayla, currently live in Tiltonsville, Ohio with their two dogs and cat and are members of St. Joseph Church of Tiltonsville.

Donation Form 17

Capital Campaign Update

The St. Paul Parish and School Capital Campaign kicked off in June 2015. The school was in desperate need of a kitchen renovation and the heating system that was original to the building needed to be replaced. The St. Paul community stepped up and has raised \$480,000 of the \$500,000 needed to have the construction begin.

A \$25,000 donation from the Charles M. Pugliese and Thelma M. Pugliese Charitable Foundation allowed for major renovations to St. Paul School's kitchen. A new fire suppression exhaust hood was installed to get the kitchen up to code. Two new coolers and a stove were purchased as well. An energy efficient water tank, fans and LED lights have been installed. The layout of the kitchen was completely redesigned to be more functional. This upgrade has allowed St. Paul School to continue to provide nourishing meals to the students and hold various events in the cafeteria.

St. Paul School received the exciting news that the Diocese of Wheeling-Charleston has approved to begin construction on the new heating and cooling system. TUDI Mechanical Construction has begun the project and it is on schedule to be completed by the beginning of the 2016-2017 school year!

The renovation to the infrastructure of the St. Paul School building will help match all the great achievements that have been going on within its walls for decades!

St. Paul School would like to thank our friends and family who have generously given to our Capital Campaign in 2015-2016

Annual Fund

St. Paul School asks every year for your help with to defray the cost of a Catholic education that tuition revenue does not cover. Our operating budget is \$1,000,000.00 and tuition only helps to cover roughly 60% of the cost to run the school. The funds collected will help support all areas of St. Paul School including curricular enhancements, tuition assistance, and general maintenance of the building. We genuinely thank those who donated to the 2015-2016 Annual Fund!

Gabrielle Mazzone Receives Aquinas Medal

Aquinas Medal recipients are chosen in recognition of their outstanding qualities of faithful discipleship, academic excellence, leadership and service to school, parish and community, reflecting the ideals of Catholic education epitomized by St. Thomas Aquinas, the Catholic patron saint of students. Congratulations to Gabrielle Mazzone, the recipient of the 2016 Aquinas Medal for St. Paul School!

Gettysburg Address Contest

Johnny O’Karma took second place in the 53rd annual Lincoln’s Gettysburg Address Contest. He competed against students from Follensbee Middle School, Wellsburg Middle School, and St. Joseph the Worker School.

Anthony George Sistilli Memorial Scholarship

Gabrielle Mazzone is the 2016 recipient of the the Anthony George Sistilli Memorial Scholarship. Mrs. Barbara Sistilli presented Ms. Mazzone with a plaque at the graduation dinner that will hang in the halls of St. Paul School. This is the second year the Anthony George Sistilli Memorial Scholarship has been awarded to a St. Paul School student continuing their education at Weirton Madonna High School. In order to receive the scholarship the student must have graduated with a minimum of a 3.0 GPA, displayed good behavior based on Catholic values in school and the community, and been an altar server for at least 20 masses during the year. St. Paul School graciously thanks Mrs. Sistilli for her continued support of the school and its students.

Poster Contest Winner

Ms. Haidyn Enos had the winning Anti-Bullying poster from St. Paul School in contest held by the Weirton-Wellsburg Chapter of Credit Unions.

Kiwanis Kids Club Terrific Kids Program

Terrific Kids program is provided by the Kiwanis Kids Club promoting character development and good citizenship. Every month the teachers awarded 2 students from each class for the item of the month.

“Battle of the Saints” for the Community Bread Basket

St. Paul School went up against St. Joseph the Worker School in a “Battle of the Saints” to see which school could collect more items for the Community Bread Basket. The competition went from April 25th to May 13th. Non-perishable items and monetary donations were collected during that time. St. Paul School was able to bring in a total of 1,560 pounds worth of food while St. Joseph the Worker School had a total of 1,225 pounds. Both schools did a tremendous job of helping stock the Community Bread Basket, who gives assistance to Hancock and Brooke County residents.

Sock Collection for Children’s Hospital of Pittsburgh

A Silly Sock Day was held at the end of the year where the students had a Free Dress Day and wore silly socks. The students were also asked to bring in a pair of socks to donate to Kelsey’s Christmas. The donation totaled over 200 pairs of socks! These socks went to patients admitted at Children’s Hospital of Pittsburgh of UPMC.

Donations

New Piano Donated

Mr. Donald Mentzer generously donated a piano in memory of his wife, Rita. Rita was a member of the St. Paul Church choir and had a love for music. The piano has already been used by students who performed at the St. Paul School Gala in March and there is sure to be plenty of music played on it moving forward. Mr. Mentzer will also be donating a light to make it effortless to read music sheets. Thank you Mr. Mentzer from everyone at St. Paul School!

New Accelerated Reader Library Books

The Glyptis family gave a \$500 donation to update the books available in the AR library. The school was able to take advantage of the Scholastic Book Fair and add 77 books to give the students more variety when reaching their goals!

Smart Board Donation Donations (continued)

New Smart Board

St. Paul School received a new Smart Board thanks to the generosity of Mr. J.J. Bernabei. The new board has been placed in the classroom where reading and art classes take place. It will be a great help to the students. Students and staff send a huge thank you to Mr. Bernabei!

Your Charitable Donation May be Matched By Your Employer

Your gift to St. Paul School could be doubled or even tripled by your employer. Many employers have matching gift programs and will match any charitable contributions made by their employees. Some companies match gifts made by retirees and/or spouses as well.

Please ask your Human Resources or Personnel Office about how your donation can be matched. We will work with your employer to process the matching gift portion. Please call our Development Director, Christine Holmes, at 304-748-5225.

Here are just a few companies that match gifts. Contact your HR Department if you do not see your employer listed and ask if they will match your charitable donation!

St. Paul School Awarded Highmark Foundation Grant

St. Paul School is excited to announce the Highmark Foundation Creating a Healthy School Environment Grant has awarded to St. Paul School for the third year in a row for the amount of \$5,000!

This year grant money was used by the third and fourth grade students to plant a portable herb and vegetable garden this spring. By teaching the students how to plant and maintain a garden they began to understand where food comes from, to make healthier choices by choosing fresh produce, and to stay active as they take care of their garden.

The students in K-8th grades were busy moving their feet during the winter months with the Pedometer Challenge. The St. Paul School Based Health Program used funds from the Highmark Foundation Creating a Healthy School Environment Grant to purchase pedometers for the students to use during their gym class. The SPS students completed 1,480 miles with the fourth grade having the most miles as a class. They won a pool party at the Millsop Community Center. Because of this program many students have asked to receive pedometers of their own! The program continued to measure the students' activity through the end of the school year with the Youth Fitness Program.

The grant will be used for the following programs for the 2016-2017 school year:

* **5-2-1-0 Let's Go Program**

The goals of this program are:

- * 5 serving of fruits and vegetables every day
- * 2 hours or less of recreational screen time every day
- * 1 hour or more of physical activity every day
- * 0 drinks with added sugar every day
- * Admission into the Millsop Community Center during inclement weather
- * The garden program
- * Youth fitness assessment program
- * Healthy snacks during state testing
- * Health & nutritional resources

The Highmark Foundation recognizes that schools are powerful place to shape the health, education and well-being of our children. This grant helps St. Paul School to create a healthier school environment resulting in positive behaviors for our students that will last a lifetime.

(Top and Right) The 3rd and 4th grade classes with their portable gardens.

Religion Teacher Earns Master's Degree

Mr. Jason Miller, the religion teacher at St. Paul School received his Master of Arts Degree in Theology from Holy Apostles College & Seminary in Cromwell, CT through their online graduate program. He is the first visually impaired student to graduate from the school and they produced a documentary about his journey.

Mr. Miller currently teaches fifth and eighth grade religion classes, but next year will also include the third, sixth, and seventh grades as well.

He is married to Lynn, a St. Paul School alumna and has three daughters; Hannah, who will be a junior at Madonna High School, Deaven going into sixth grade and Alexis going into first grade at St. Paul School.

(Left) Mr. Miller is all smiles at graduation.

One to One Computer Initiative

St. Paul School is beginning a 1 to 1 computer initiative in the 2016-2017 school year. This will allow all students in grades fifth through eighth to each have their own computer at school for every class. Teacher's lesson plans can be more involved and will allow the students to experience much more than they have been in the classroom. The initiative will also include the third and fourth grades in the 2017-2018 school year.

St. Paul School is proud to be Partners in Education with the Jefferson County Educational Services and Franciscan University in Steubenville.

Jefferson County Education Services will allow the students to take classes that would otherwise be unobtainable. Teachers will be able to incorporate these classes into their own lesson plans or the students can choose to take an extra class outside of regular school hours if they wish. Some of the classes that will be available are: Introduction to Theatre, Art History, and Digital Skills.

Franciscan University of Steubenville is extending the opportunity of furthering their own education to the faculty of St. Paul School. Faculty members will be able to take classes at a reduced rate for their master's degree or for certifications.

Alumni News

Fred Barnabei passed away January 1st, 2016. He was one of the oldest living alumni of St. Paul School, graduating in 1934. Fred was extremely active in the Weirton community including being chairman of the St. Paul Golden Jubilee and Alumni Dinner. Fred will be dearly missed by all that knew him.

If you have news you would like to share with the St. Paul School family, please contact Christine Holmes at 304-748-5225 or cholmes@weirtonstpauls.org.

Grandparent's Day

St. Paul School hosted their Annual Grandparent's Day on November 17, 2015. There was a mass, refreshments served afterwards, skits by the 6th grade class and tours given of the class rooms.

(Left) Students Jericho and Delia Givens pose with their Grandmother Faith Shawver

Anti-Bullying Assembly

St. Paul School was extremely proud and blessed to have Elec Simon, Broadway performer and childhood friend of Mr. Parsons, do a presentation on bullying and how it affects others. Unfortunately, bullying is commonplace in today's society among all ages. Mr. Simon addressed the student body with a message of positivity and love.

The program was dynamic and moving. There were some students and staff who were able to get involved by playing instruments along with Mr. Simon and his band. He reminded all the students that they all need to "Believe." Believe in themselves, their actions, and their future.

After the main program was over, Mr. Simon stayed and spoke with the 5-8th grades in a more personal group session. He sat among them while some students volunteered times they have bullied others and how there is nothing to gain from that act.

St. Paul School hopes to have Mr. Simon visit annually. If you would like to give a donation to help make this possible, please contact Christine Holmes at 304-748-5225 or cholmes@weirtonstpauls.org.

St. Paul School Gala 2016

The St. Paul School Gala was held on March 5, 2016 at the Serbian-American Cultural Center. The theme was an “Enchanting Emerald Isle” and the beautiful centerpieces helped bring the theme to life. The event was attended by around 200 family and friends of St. Paul School who helped bring in over \$24,000 for the school’s operating budget!

The Family Traditions Award was given out for the third year. This year the honorees were Tom and Darlene Sessi for the unwavering support they have provided to St. Paul School for over 60 years. They received a lovely decorative Celtic cross. Tom gave a moving acceptance speech where he mentioned the many battles over the years and he told everyone to keep fighting to make sure the school can continue to thrive.

JK Photography was on hand to document the evening. They captured some wonderful images throughout the evening. Attendees enjoyed a dinner of chicken chardonnay, oven-browned potatoes, rigatoni, zucchini roma, and wedding soup. The delicious desserts were chocolate cups filled with different flavored mousse made by Matt Marshall of A Touch of Elegance Bakery and Cafe. A variety of homemade cookies were also available at every table for attendees to enjoy during the night.

On the way into the event, everyone was able to pick up a shamrock with a number on it for the chance to win some cash prizes. The \$500 winner was Sonny Marino and he graciously donated the money to the St. Paul School Capital Campaign! There was also the opportunity to buy a duck for the chance to win up to \$250. The winner was Mike Mastrantoni, who currently has two children at St. Paul School.

Thanks to generous donations from St. Paul School families, friends and businesses the Gala was able to have over 80 items available for the Chinese, Silent, and Live auction. A dinner party provided by local chef Brandy Stewart turned out to be the most coveted item of the night. It was part of the live auction and the bidding was going back and forth between two potential winners. Once the auctioneer, Bennie Parr, called Brandon Klink the winner it was announced that the chef would be willing to do a second dinner party for the runner up, Tim Caskey, at the winning bid price and Mr. Caskey approved the deal! Spencer Thomas offered his auction computer program and it greatly eased the auction preparation and process.

St. Paul School thanks the following Bronze Sponsors: BK Construction/General Contractors, Greco-Hertnick Funeral Home, Innovative Surgical Group of Weirton Medical, Professional Tire and Alignment, and Trinity Health System. The Diocese of Wheeling-Charleston contributed with the printing of flyers, tickets, and the program. The support from all of our sponsors and donors is extremely appreciated and the Gala could not have been a success without their help along with the generosity of those who attended!

(Above) Darlene and Tom Sessi

Alumni Information Request Form

St. Paul School will be sending out publications to reach out to its alumni and keep them better informed about school happenings and student achievements. To achieve this goal, however, we need the help of you, our alumni, in creating an updated, more detailed alumni database. If you graduated from SPS, please complete the form below and return it to our Development Office, or simply place it in the weekly parish collection baskets. We thank you for your help and continued support of SPS!
