

St. Paul School News

August 2022

WELCOME

Students, Teachers, & Staff Return for the 2022-23 School Year

St. Paul School is entering its 99th year of offering our community a vigorous, and well rounded education instilled with Catholic values.

We are eager and excited to welcome our students back for their first day on August 22 for grades 1-6. Kindergarten and Preschool will join us the following week on August 29.

Our staff is made up of many familiar faces as well as some new faces! We are pleased to welcome Mr. Jamie Lesho, Principal, Mrs. Mallory Osleger, Pre-3 aide, Mrs. Lisa Wingett, 2nd Grade, and Mrs. Lisa Morris, IT.

Over the summer months we have been hard at work preparing a safe, loving, clean, and friendly environment for our students this fall. We have added a brand new security system to our building, upgraded our Wi-Fi, updated policy & procedures, and so much more! It is going to be an incredible school year!

Welcome Back, Teachers!
