

Ron Higgins passed away in August 2021. Anyone who knew Ron knew he loved his family, his faith, and the game of golf. As an avid golfer, and sharing that love with his sons, Ron never hesitated to hit the links. Maybe even more than his love of golf was his love of helping others, which carried over onto the golf course. Whether it be on the driving range, on the putting green or out on the course, Ron was always ready and willing to help another golfer.

When Ron suddenly passed, the donations made in his name to St. Paul School were used to help grow the new St. Paul School Golf Program started by Guy Holmes and other parents to give students a place to learn the game and have fun. Ron is survived by his wife of 33 years, Sharon and his two sons Andrew and Nicholas. We cannot think of a better way to remember Ron then by helping to pass on his love of golf to the next generation.
